

DGS Employee of the Week: Mike Weatherly **Keeping Order at the Courthouse**

Our DGS Employee of the Week helps keep the wheels of justice turning at the Westminster District Court. Mike Weatherly is the facility's maintenance supervisor and ensures it's clean, safe and run efficiently. For maintaining order at the courthouse and Doing Great Service, Mike is our Employee of the Week.

One of the first things you'll find out about Mike is that he is very loyal. Even if that means he's still an avid Pittsburgh fan, having been born and raised in neighboring Pennsylvania. He moved to Maryland a few years ago and lives in the heart of Ravens country, but Mike still cheers for the black and gold.

Mike worked construction for 30 years before joining DGS in 2009. He maintains the grounds, oversees security and janitorial services, and makes sure the courthouse is running efficiently by regularly monitoring the heating and cooling system and making adjustments when necessary. Mike says he really enjoys his job and being part of the DGS team.

"Mike is dedicated and dependable," says Delbert Stallings, regional manager of region 5 multi-service centers. "I can always count on him to make things happen and keep everything running smoothly. Mike takes great pride in his work and visitors to the courthouse can tell."

In his free time, Mike is busy with home improvement projects and helping his mom around her house. He also volunteers for the VFW, AMVETS and the American Legion as a way of giving back to his country and paying tribute to his father who served in Korea, his brother who fought in Desert Storm, and the many friends who have served in the military.

DGS would like to thank Mike Weatherly for **Doing Great Service!**
